## Types of Displays

4 X 6

6 X 9

**FREE STANDING-** This display comes in nominal, full-size or custom heights from 5 to 50 arms. This display offers the flexibility of rearranging your showroom at minimal cost and gives you unlimited options in showing your area rugs. DCI's freestanding displays are easily assembled and come with all necessary hardware and rug clips.

Phone 800-362-8416 for specific dimensions on various display sizes.

**FLOOR TO CEILING-** Unlike the free standing display, which has a limit of 50 arms, this permanent showroom fixture is designed in increments of 10 arms and is limited only by your floor space. All floor to ceiling displays are custom made to fit your ceiling height. Remember to consult your architect, engineer or contractor to determine if your existing roof construction can support this type of display.

**WALLMOUNT-** If you have a load bearing wall you can convert idle wall space into a profitable area rug sales center. No display legs to take up valuable floor space and, like the floor to ceiling, you can have as many arms as your wall space allows. All wall mounted displays are custom made to fit your ceiling height. Contact your architect, engineer or contractor to determine if your wall construction can support this type of display.

DCI'S 4x6 display is engineered for safety, versatility and ease of assembly. It is fabricated from heavy gauge steel and is available with regular or mesh arms for oval rugs. Freestanding units are offered from 5 to 50 arm models. Floor to ceiling and wall mount units are custom built to fit any size space. The display comes with six (6) rug clips per arm and is offered in black, white, gray or almond.

DCI's 6x9 has a great set of legs.

With our new straight leg design we can offer a **TOTALLY FREESTANDING (NOT BOLTED TO THE FLOOR)** 6x9 display up to 50 arms. We still offer the traditional 45 degree leg for those who prefer an old standard. No matter which leg you choose you will appreciate our heavy gauge steel construction that allows you to hang the heaviest hand made rugs with no worry about display performance. We inventory full size (10') and nominal (9'1") frames but custom heights are no problem. We offer our 6x9 displays in floor to ceiling and wall mount styles as well. Standard color options are black, white, gray and almond. For an answer to all

of your 6x9 display needs just call 800-362-8416 and one of our qualified service representatives will help solve your problem.

## 2 and 3 BAY SLIDING DISPLAYS

Sliding displays offer a dramatic presentation of your area rug collection. This system can accommodate any size rug, either rectangular or oval. Handles on the rug arms allow the customer to view the rug without ever touching it, thus avoiding possible damage from handling. All of our sliding display systems are custom built to fit your specific needs.

## NEW, ONE OF A KIND

Our telescoping slide arm display enables you to show your entire collection from a single bay. Our system can be built to fit any size rug from 4x6 to 10x14 or larger.

This display, unlike other sliding displays, is extremely easy to load and unload because the entire arm extends outside the display framework. For more detailed information on this AMAZING DISPLAY call our service representatives at 800-362-8416.

## MAXIMIZE YOUR SALES

The Maxima is a two-tiered display that has enjoyed a great deal of popularity. This model will display 40 6x9's and up to 80 4x6 fine area rugs. This display allows you to show up to 120 rugs in an area normally used by a 20 arm 6x9. It comes up to 100 total arms in Free Standing, Floor to Ceiling or Wall Mounted. Call our trained professionals at 1-800-362-8416 or Fax us at 1-706-517-0871 today.

## OUR ULTIMATE DISPLAY

This Ultima will display 40 9x12's and up to 80 6x9's (model shown) in the same space as a 20 arm 9x12 does. Increase your profits when displaying both 9x12's and 6x9 fine area rugs. This unit can be produced from 10 to 100 arms in Free Standing, Floor to Ceiling or Wall Mounted. A trained representative awaits your call (1-800-362-8416)
